

1. Miss O'Donnell (Rep. McCarthy, Minn.) called re Moenchhof, Burgenland, Austria. Informed her it was in the Russian occupation zone - the nearest U. S. Legation being in Vienna.

25X1A

25X1A

2. [REDACTED] came in to discuss BLC job.

25X1A

4. Mr. Houston and I talked with [REDACTED] General Counsel, R&DB, re the National Science Foundation bill. It was agreed that no action would be necessary by CIA in this connection. It was felt that the bill did not authorize the Foundation to demand information of CIA, and that it had never been contemplated that classified material be given the Foundation as it was primarily interested in basic research.
